## THE FAMOUS & ORIGINAL UNIVERSAL PICTURES CO. RUBBER MONSTER MASKS!

Here they are at last! The famous and original monster masks—especially created for us by the famous Don Post-Hollywood's "greatest mask maker." Each mask is meticulously sculpted of heavy latex rubber, full faced and flexible. They actually move with the face, produce a most effective "chance" look, and are on all faces, sets over the top of the head. All masks are hand finished & hand painted for the most realistic effect.
